Additional Requirements

Sewing Machine
Iron, pressing board
Scissors
Sewing needle

Instructions

Seam allowances are ¼" (0.6cm) unless noted.

Using the provided circle and wedge templates, cut the following:

1. Cut two circles from GP70.REDD.
2. Cut four wedges each from PWGP020.GOLDX and PWGP020.PINKX.
3. Cut two wedges each from PWBM046.HOTXX, PWBM044.REDXX, PWBM044.PINKX, PWBM044.EMERA, PWBM037.CANDY, PWBM045.HOTXX, PWGP093.MAGEN, PWGP092.JADEX, PWGP131.MALAC, PWGP131.YELLO, PWPJ070.MINTX, and PWGP129.YELLO.
4. Refer to illustration on next page or photo to arrange wedges.
5. Sew wedges together to make a front and a back for pillow. Press seams open.
6. Turn under ¼" (0.6cm) seam allowance on outer edge of center circle (Step 1).
7. Applique circle to center of wedges.
8. Lay pillow front and back on fusible fleece and trace around outer edge.
9. Follow manufacturer's instructions and fuse fleece circles to wrong side of pillow front and back.

10. Pin pillow front to back, right sides together.
11. Sew around outer edge of pillow, leaving an 8" (20.3cm) opening.
12. Turn pillow right side out. Turn raw edge of opening to inside and press. Press pillow cover flat.
13. Insert pillow form and whip stitch opening closed by hand.
