Cutting Instructions

Fabric A from each of 3 assorted prints, cut:

- (1) 8½" (22.54cm x 22.54cm) square, then cut diagonally in half once (for half blocks)
- (1) 8½" (21.59cm x 21.59cm) square
- (6) 4" (10.16cm x 10.16cm) squares
- (2) 4" (10.16cm x 10.16cm) squares, then cut diagonally in half twice

Fabric A from each of the 15 remaining prints, cut:

Note: Cut pieces in the order listed. Fussy cut the directional prints 8½" (21.59cm x 21.59cm) Fabric A squares diagonally, on th bias, so the motifs will be oriented right side up in the finished quilt.

- (2) 8½" (21.59cm x 21.59cm) squares
- (6) 4" (10.16cm x 10.16cm) squares
- (2) 4" (10.16cm x 10.16cm) squares, then cut diagonally in half twice

Fabric B, cut:

- (72) 5½" (13.0cm x 13.0cm) squares, then cut diagonally in half once
- (108) 4" (10.16cm x 10.16cm) squares
- (17) 4" (10.16cm x 10.16cm) squares, then cut diagonally in half twice
- (6) 2¾" (6.03cm x 6.03cm) squares, then cut diagonally in half once

Fabric C, cut:

- (8) 2½" (21.59cm x 21.59cm) strips, for the binding

Fabric D, cut:

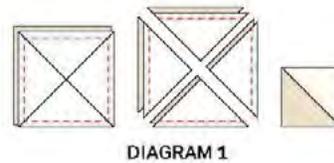

- (2) 94" x WOF (238.76cm x WOF), piece together length-wise to measure approximately 82" x 94" (208.28cm x 238.76cm)

Sewing Instructions

Note: Use a ¼" (.64cm) seam allowance throughout.

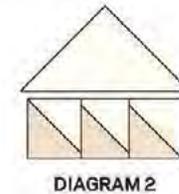

Blocks:

1. **Half-Square Triangle units:** Draw two diagonal lines on the wrong side of a 4" (10.16cm) Fabric B square. Place the marked square right sides together with a 4" (10.16cm) Fabric A square (**Diagram 1**). Sew around all 4 sides using a ¼" (.64cm) seam allowance, then cut apart on the drawn lines to yield (4) 2½" x 2½" (6.35cm x 6.35cm) half-square triangle units. Press seams toward Fabric A.

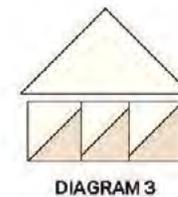

Note: Handle edges carefully as they are bias edges. Repeat to make a total of 432 half-square triangle units.

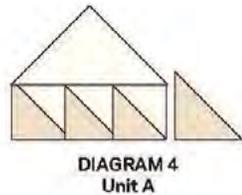

2. Gather together (4) 5½" (13.0cm) Fabric B triangles, (2) 4" (10.16cm) Fabric B triangles, 12 matching half-square triangle units, (4) 4" (10.16cm) Fabric A triangles (identical Fabric A print as in the half-square triangle units) and (1) 8½" (21.59cm x 21.59cm) matching Fabric A square.
3. Noting orientation, sew three half-square triangles together in a row (**Diagram 2**). Press seams open. Sew a 5½" (13.0) Fabric B triangle to the top edge of the row to make one segment. Press seam toward the triangle. Repeat to make a second segment.

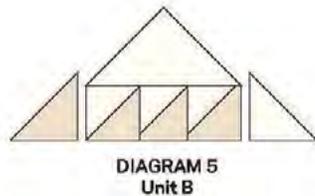

4. Noting reverse placement of the half-square triangle units, repeat step 3 to make two reverse segments (**Diagram 3**).

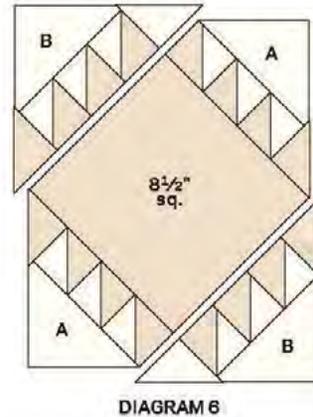

5. Sew a 4" (10.16cm) Fabric **A** triangle to the right edge of one segment to make Unit **A** (**Diagram 4**). Press seam toward the triangle. Repeat to make a second Unit **A**.

6. Sew a 4" (10.16cm) Fabric **A** triangle to the left edge of a reverse segment and a 4" (10.16cm) Fabric **B** triangle to the right edge to make a Unit **B** (**Diagram 5**). Press seams toward the triangles. Repeat to make a second Unit **B**.

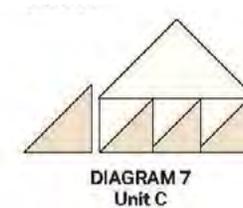

7. Sew a Unit **A** to opposite sides of the $8\frac{1}{2}$ " (21.59cm x 21.59cm) Fabric **A** square. Press seams toward the square. Sew a Unit **B** to the other sides. Press seams toward the square to make (1) $11\frac{3}{4}$ " x $14\frac{1}{2}$ " (29.85cm x 36.83cm) block (**Diagram 6**).

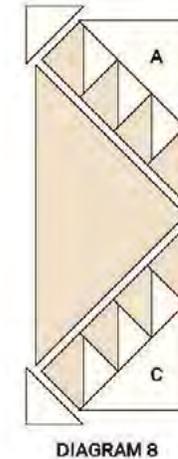

8. Repeat steps 1 through 7 to make a total of 33 blocks.

Half Blocks:

9. Gather together (4) $5\frac{1}{8}$ " (13.0cm) Fabric **B** triangles, (4) $2\frac{3}{8}$ " (6.03cm) Fabric **B** triangles, 12 matching half-square triangle units, (4) 4" (10.16cm) Fabric **A** triangles (identical Fabric **A** print as in the half-square triangle units) and (2) $8\frac{7}{8}$ " (22.54cm) matching Fabric **A** triangles.
10. In the same manner as in steps 3 and 4 of the Blocks, make 2 segments and 2 reverse segments.
11. In the same manner as in step 5 of the Blocks, make 2 **A** Units.
12. Sew a 4" (10.16cm) Fabric **A** triangle to the left edge of a reverse segment to make Unit **C** (**Diagram 7**). Press seam toward the triangle. Repeat to make a second Unit **C**.

13. Sew a Unit **A** to one short edge of an $8\frac{7}{8}$ " (22.54cm) Fabric **A** triangle. Sew a Unit **C** to the adjacent short edge (**Diagram 8**). Press seams toward the large triangle. Sew a $2\frac{3}{8}$ " (6.03cm) Fabric **B** triangle to each corner. Press seams toward the small triangle to make one half-block. The half-block measures $6\frac{1}{8}$ " x $14\frac{1}{2}$ " (15.54cm x 36.83cm). Repeat to make a second half-block.

- Repeat steps 1 through 5 to make six half-blocks (three sets of two matching half-blocks).

Quilt Assembly:

Note: Follow the **Quilt Assembly Diagram** (Page 5) while assembling the quilt.

- Rows 1, 3, and 5: Sew six blocks together to make one horizontal row. Make three rows. Press row seams to the left.
- Rows 2, 4, and 6: Sew five blocks together, then stitch a matching half-block to each end to make one horizontal row. Make three rows. Press all row seams to the right.
- Sew the rows together in numerical order, matching seams, to complete the quilt top.

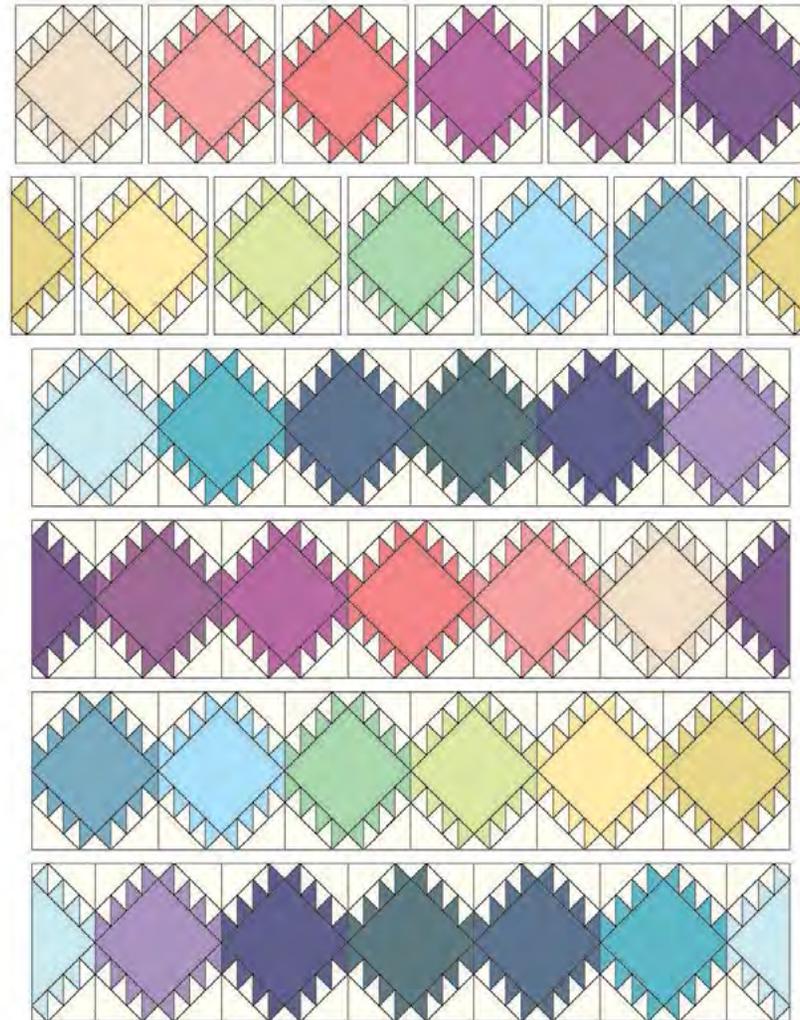

Finishing:

- Layer the backing right side down, batting and quilt top right side up. Baste the layers together and quilt or tie as desired.
- Prepare binding from (8) 2½" (6.34cm x WOF) Fabric C strips. Sew the strips together into one long binding strip. Press strip in half lengthwise with wrong sides together.
- Carefully trim backing and batting even with quilt top.
- Leaving an 8" (20.32cm) tail, align raw edges of the binding with the raw edges of the quilt top. Sew the binding to the quilt through all layers, mitering the corners as you go. Stop approximately 12" (30.48cm) from where you started. Lay both loose ends of binding flat along the quilt edge, raw edges aligned, so they meet in the middle of the 12" (30.48cm) opening. Where these two loose ends meet, fold them back on themselves and finger press to form a crease. Cut each end 1¼" (3.18cm) away from the crease. Open the strips and place the ends at right angles to each other, right sides together. Fold the bulk of the quilt out of the way and sew the strips with a diagonal seam. Trim the seam to ¼" (.64) and press open. Fold the strip so the wrong sides are together and finish sewing binding to quilt.
- Turn binding to back of quilt and blind stitch in place.
